Lenape News

It has been several months since a Lenape Tracking Club newsletter was produced. With Corona Virus and with the shutdown of the country, dog activities took a back seat to the chaos of a spreading pandemic. While we are clearly not out of the woods, there is light at the end of the tunnel, with activities starting to come back on-line and people able to get back out and start working their dogs again. The May VST at Brookdale Community College was again a reality with Ray Desmarais and Stephanie Crawford as judges. A hearty thanks to all the members that made this happen for all the tracking diehards. It is my hope that there will be enough activity to regularly produce the newsletter. This will now be a quarterly production. Upcoming events, Lenape TD in October, and TDX in November.

Just a reminder of the **Newsletter deadlines** and publication dates through 2021
Send all brags, member profiles, and information to be published in the newsletter to:
Tammy Snyder at tsrotts1@twcny.rr.com

Newsletter	Deadlines	Published
1 st Quarter	March 15th	April 1st
2 nd Quarter	June 15th	July 1st
3 rd Quarter	Oct 10th	Oct. 2021 (after TD)
4 th Quarter	Dec. 15th	Jan 2022 (after TDX)

The above dates are approximate. The newsletter will be quarterly unless there is need to produce more frequently. The newsletter will be published to incorporate the club's main events, the TED, VST, TD and TDX. The above are dates that brags/memorials and any other information for the newsletter will need to be into me at tsrotts1@twcny.rr.com

If you know of events in areas where members live that will fall into the time frame of this newsletter, please send along. I know members are involved in lots of other events other than tracking. Lets here about what's out there.

We have three golden retrievers, Lucy 6, Teddy 4, and Jesse is our 1 year old boy. Teddy is Rosemary Laubach's golden boy Magic's half brother. They are both Mystic kids. The three dogs live near the beach on Long Beach Island and routinely swim in the ocean or bay depending on the time of the year. I'm retired so I take the boys to conformation shows and Obedience, Rally, and Scent Work classes every week. Teddy has been practicing his Tracking skills for about two years and Jesse has joined him earlier this year. We usually practice at the Horse Park Of NJ. Teddy is an American and Canadian conformation champion and has his CD, BN, RN, and his overall Scent Work Advanced titles. Jesse participates in conformation and has his BN, RN, and overall Scent Work Novice titles. Lucy supervises the entire family!

Please welcome Monique Buzzarté as the new IO Groups list manager. She will be adding new members to IO Groups list, as they are approved. She will also update the files section. If you have something that needs to be added to the files section, please send to Monique at:

Gina and Felon

**** Felon IGP3 ****

A long fun day with great friends! Felon passed all 3 phases (Tracking, Obedience and Protection) to achieve his IGP3 schutzhund title. Thank you to judge Bogdan Sergo & helper [Mario Bardouille](#). It's not an easy task taking a bite from Mr Felon 🤔🤔
Proud mom..

Tammy and Brick

May 7th 2021 Carting Intermediate title @ Colonial Rottweiler Club Specialty
May 8th 2021 Reserve winners @ Colonial Rottweiler Club Specialty
May 9th 2021 Winners Dog, 5 point major @ Colonial Rottweiler Club Specialty
July 2/4, 2021 winners dog @ Bainbridge cluster for 3 additional points toward CH title (8 total points now).

Rose Mary and Remy

Remy earned his CD-C, 3 shows in a row finishing with a 196.5 - a first, a second and a third place. CDSP Obedience

Rose Mary and Magic

Magic competed in the same class and earned his CD-C with 2 firsts and a 2nd place. He had a 199 and a runoff for high in trial at his 3rd trial. So proud of my boys!! Both finished at the same trial. CDSP Obedience.

Pat and Muggs

Cocker Spaniel **Muggs** (CH Cocktails Rum-Runnin' To Deerhill CD RE TDX TDU CGC TKE CD-V) went back into the conformation ring after the COVID shutdown and got the final points for his Championship this past May. (It was a real challenge to keep him in show coat and still do weekly field tracking in a wildlife refuge all winter - but it was so fulfilling to put a CH on a TDX Cocker!) He also took advantage of the AKC's Virtual program and got 4 Rally Titles and the CD-V obedience title. And last summer he too played the Trick Dog game, getting his Elite Performer title. The CGC department at AKC had said tracking wasn't something we could call a trick, so his skit was "Everything but the Track (or playing with tracking equipment during the foxtail season)." <https://youtu.be/9UWmQANgu8E>

Pat and Raggs

Nova Scotia Duck Tolling Retriever **Raggs** (Skylark Raggin' A Tune With Deerhill VCD1 CDX RE OJP DJ CGCA TKE CD-V) was able to get to a few agility trials and he earned his OJP and two legs on his OAP. He also played the virtual game and earned his RE and his CD-V. We had too much fun with his Trick Dog Elite Performer routine, which dealt with putting a new Scoundrel in Office (note - this was filmed before the 2020 election...): <https://youtu.be/YvLgIGgtQ5E>

For those not familiar with the Elite Performer program, you must do a video with a script and a narrator, filming must be continuous and you need to incorporate ten advanced/performer level tricks, with a minimum of five with props - and you can't use standard obedience or agility equipment. It's supposed to be like a performance put on for entertainment at a school or nursing home - and you deal with the dog who shows up that day <G>.

Peg and Jetta

Storm Watch Jet Stream Has Been busy

On April 16 she earned her first CDX Q at the Williamsport Obedience Trial with a score of 181.5 and First Place. Next came her second Junior Hunter leg at the Navesink River Hunting Retriever Test held at Colliers Mills, NJ on April 25th.

At the Krusin' K-9 agility trial on May 1, handled by Caroline Le Bel, Jetta earned her second Excellent Jumpers leg and 2nd place. Caroline had not seen or practiced with her, for three years. The following day at the CDSP obedience trial, held at C&S County K9, she earned two scores of 196.5 in Novice. Both were 2nd places.

On June 10th, Carol Wyatt handled her in the breed class at Taconic Hills Kennel Club where Jetta earned BOS. It was her first time in the breed ring since Westminster 2020. The next day she was BOS again and she has completed her Silver Grand Championship.

Then over the weekend at the Taconic Hills Kennel Club's Obedience Trial Jetta obtained her second CDX leg with a 192 and 2nd place. On Sunday with a 191.5 and 3rd place she finished her CDX.

It has been great to be showing again, seeing old friends and meeting new ones. Dog friends are the very best.

A special thanks goes to Carol Wyatt who talked me into doing the breed and obedience trials. And for driving us there for 4 days making the last two titles possible.

Lenape Events 2021:

VST

The VST was held on Sunday May 23rd. There were 4 entries and an alternate. There were 5 lovely tracks plotted by Ray Desmarais and Stephanie Crawford. The day was very hot, in the 90's with high humidity. While all the teams worked hard, there were no passes this year. It was a very difficult day for a tracking test. The breeds that participated were Golden Retriever, Rottweiler, There were no photos of this event. Thank you to tracklayers, Ben Rose Mary, Dan and Monique, and Secretary Anna for all your hard work.

Dreamer

The Last Video: By Janet Doerer

When I went to a CDSP trial in Mechanicsburg Pa, I did not know anyone there. I saw that the person who was the ring steward was videoing someone so I asked if she would mind videoing me with my camera. Her name was Kristin and she said "sure no problem". She ended up videoing all of my runs in open and utility for two days. Three weeks later I lost Dreamer to kidney failure. You never know when it's your last video.

Dreamer had accomplished so much in his almost nine years. He got his PT in herding, his open titles in agility, and his UDX and OM1 in AKC obedience. Dreamer really enjoyed showing in CDSP this past year, earning his OTCH just a month ago.

He also did some acting on TV and Movies. He had small bit parts on TV in Madam Secretary, New Amsterdam, and Orange is the new Black. He also played in Movies, 17 Bridges, and Batman the Joker.

We did a lot of traveling together and he had been to more states than most people I know; visiting a total of 44 states along with 4 Canadian provinces. He had been from the Canadian Rocky Mountains to Florida, from Maine to California. We did a lot together, inside and outside the ring. I am so grateful for the time I had with him. He passed away very peacefully, on Friday June 4 at 2:45a.m, in my bed, with Joe and me holding his paws with my tears falling down on him. He will be sorely missed, but now Pilot must carry on. Pilot has big paws to fill, but he started right out of the gate. I attended a CDSP trial this weekend and Pilot got three 200 scores and his CD-CCH title. I think Dreamer was coaching him from above.

So, the next time someone asks you to please video them, please say yes. You never know when it may be their 'last video' of cherished memories.

Diggs: by Pat Etchells

Nova Scotia Duck Tolling Retriever **Diggs** (Skylark Beachcombin' At Deerhill VCD2 RE AX AXJ RATN DS CGCA CGCU TKE) is now at the Rainbow Bridge, but we have so many wonderful memories of his adventures in tracking, conformation, obedience, rally, barn hunt, dock diving and agility. It was especially meaningful to be able to work with him last summer, getting his Trick Dog Elite Performer title while doing a skit about him at a retirement home. With his strong retrieving drive, it was fairly easy to teach an old dog new tricks and he really appreciated being able to work for his treats!
